

ENVIRONMENTAL POLICY

Cleanflow Environmental Solutions is committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimizes our potential impact on the environment. We will operate in compliance with all relevant environmental legislation, and we will use pollution prevention and environmental best practices in all we do.

Environmental Objectives

The management and staff at Cleanflow Environmental Solutions are committed and will strive to:

- ✓ Implement processes to protect the environment
- ✓ Actively promote recycling both as part of our processes
- ✓ Purchase environmentally friendly products wherever possible

As part of our systems and processes we will:

- ✓ Train, educate and communicate with employees, contractors, and other relevant interested parties regarding this policy and expectations towards protecting the environment where necessary
- ✓ Ensure that this policy is retained as documented information, and available to interested parties
- ✓ Define and meet objectives, by documenting and monitoring measurable environmental targets
- ✓ Conduct regular management review meetings to ensure our Environmental Management System is reviewed and controlled appropriately
- ✓ Report, investigate and apply corrective actions to all environmental incidents
- ✓ Evaluate and fulfil all environmental legal and other requirements applicable to the company
- ✓ Document and mitigate all company environmental aspects and impacts where reasonably practicable
- ✓ Conduct audits of core processes within the business as part of our Continual Improvement Process
- ✓ Ensure our Environmental Management System is conformant and certified to ISO 14001:2015
- ✓ Review this policy annually

Cleanflow Environmental Solutions is committed to striving to continually improve our environmental performance and minimise the social impact and damage of activities by periodically reviewing our environmental policy considering our current and planned future activities.
